

BRIEF HISTORY

The South Hants Vehicle Preservation Society was formed in October 1968, and has a membership of around 300. It aims to cater for old vehicle enthusiasts with a wide range of interests, and accepts all vehicles over 25 years old.

The Vintage Show and Autojumble began in a small way over 32 years ago. After out-growing various sites in the Havant area, we moved to our present venue at Queen Elizabeth Country Park in 1992.
