Of the 630-odd vehicles declared, we only have pictures of less than a third of these wonderful machines. Please let me have your photographs (approx. 4" x 6"), preferably including the proud owner. Don't forget to write on the back:- **OWNER, CLUB MEMBERSHIP No., VEHICLE MAKE, MODEL and REGISTRATION.**

The photo albums are available to view during winter Clubnights, or they can be made available by special request at other events.

It has been suggested that the Society maintain a register of those members willing to use their vehicles for either weddings or proms. Any enquiries would be passed on to the members concerned, who would then deal directly with the prospective clients.

Please indicate below if you wish to be included in this scheme.

Please be aware that using a vehicle for either of these activities requires appropriate insurance, and in the case of proms, also requires an appropriate licence from the Local Authority.

I am willing to use my vehicle for weddings and/or proms (please tick).
