Of the 600-odd vehicles declared, we only have pictures of less than a third in our records. Don't forget to write on the back:- OWNER'S NAME, VEHICLE MAKE, MODEL and REGISTRATION No.

It has been suggested that the Society maintain a register of those members willing to use their vehicles for either weddings or proms. Any enquiries would be passed on to the members concerned, who would then deal directly with the prospective clients. Please indicate below if you wish to be included in this scheme.

Please be aware that using a vehicle for either of these activities requires appropriate insurance cover, and in the case of proms, also requires an appropriate licence from the Local Authority.

I am willing to use my vehicle for weddings  and/or  proms (please tick).

Would you be prepared to help at club events, clubnights, Sunday runs, etc? YES / NO

Please tick the box if you would like to receive a name badge to wear at club events.

Please comment on any activities / visits you would like to see in our calendar or be involved with:-
